Re: George Cannon Rd. Utility Pole quote;

Mid-Hudson Data (MHD) is proposing to build infrastructure to connect Main St. to Goose Pond via Fiber Optic cabling. To accomplish this will require approximately 1.4 miles of utility poles.

- Install up to 30 - 35 ft. Cl 5 utility poles
- Install anchors w/ downguys
- Place 1.4 miles of strand

Total as listed \$71,500.00

** Flagging to be done by local law enforcement and billed separately on an as needed basis
